The screenshot displays the Clarity AI web interface. On the left, a sidebar contains the Clarity AI logo, a "Pro" badge, a user profile for Julia Chang (juliachang@gmail.com), and navigation links for Home, Discover, Plugins, and Community. Below these are sections for "Yesterday" and "Recent chats". The main dashboard on the right features a "Welcome to Clarity AI" header, a brief description, and four service cards: Academic writing, Generate image, Code snippet, and Get an idea. At the bottom, there's a message input field with placeholder text "How can Clarity help you today?", a GPT-4o icon, file upload stats (11233/25000), and an "Attach content" button.
